**SAFETY
ADVISORY**

CAD ZONE: Broward County
DISTRICT: All Fire Rescue Districts
DATE: 04/12/2011
LOCATION: Countywide

The Broward Sheriff's Office Fire Marshal's Bureau is distributing this safety advisory to all emergency responders in an effort to heighten awareness of the dangers associated with the storage and handling of fireworks that are prevalent during this time of year.

These explosives can be transported and/or stored in various locations, many times without any placards to warn emergency responders of the hazardous contents within these typical vehicles and trailers.

Emergency responders are urged to use extreme caution when presented with incidents (fires, accidents, etc.) involving these types of vehicles and trailers.
