## **CAN YOUR NON-PROFIT GET A BOOST FROM BSO?**

Sheriff Scott Israel is pleased to announce that the Broward Sheriff's Office will hold a Law Enforcement Trust Fund (LETf) Workshop for non-profit organizations.

LETf money comes from the seizure and forfeiture of contraband that has been used in the commission of a felony, and state law allows BSO to use those funds for the benefit of the community.

Find out if your charitable organization is eligible to receive part of those funds.

**Law Enforcement Trust Fund Workshop  
2-4 p.m., Wednesday, September 7, 2016  
African-American Research Library and Cultural Center  
2650 Sistrunk Blvd., Fort Lauderdale**

The workshop will inform organizations about the qualifying rules and will provide assistance with the application process.

Staff will be available to answer any questions. The deadline for submission of LETf applications is Wednesday, October 19<sup>th</sup>, 2016 at 11:59 p.m.

We anticipate the County Commission will award the LETf funds in 2017.

Sheriff Israel and the men and women of the Broward Sheriff's Office look forward to the opportunity to assist organizations with funding to help them be even more successful in serving the needs of our community.
